

September 2023

I hope this letter finds you well.

I have been calling door-to-door following up on the Cummeennabuddoge Wind Farm project brochure that was delivered recently.

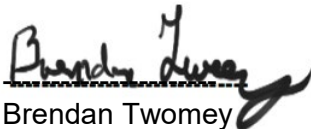

If you were not at home when I called and you would like more information on the project or have any specific questions, please contact me on the telephone number or email below.

The project team would like to invite you to the Cummeennabuddoge Wind Farm Community Engagement Clinic in Óstán Ghobnatan, Abbey Hotel, Ballyvourney, County Cork, P12 FW30. The clinic will run on Wednesday the 20th of September, from 12noon to 8pm and on Thursday the 21st of September from 11am to 6pm.

The above public consultation information will also be advertised locally and in the press over the coming days.

We hope to see you at the clinic, where you can meet the Cummeennabuddoge Wind Farm team in person, view the project information and ask any questions you may have. If you cannot attend, you can email, call or text and get your questions answered or request to be kept up to date on this renewable energy project.

For all information issued to date about the proposed Cummeennabuddoge Wind Farm, including a list of Frequently Asked Questions (FAQs), all previous newsletters and updates, and access to the Virtual Exhibition, please visit www.cummeennabuddogewindfarm.ie.
